

SEPT-OCT GIVING UPDATE

Hi Giving Group family, Happy Fall!

Let's start this giving update with some great news: together we have now donated \$57,293.30 to nonprofits close to your hearts!! This surpasses our original goal of donating \$40k in our first year, and we are so incredibly grateful for all of your support, business, referrals, and encouragement!

So, without further ado, here are the causes we were able to share our blessings with over the last two months! For full information about these nonprofits and the wonderful clients who shared these causes with us, please visit www.givinggrouprealty.com/giving

Live Love NW

Live Love NW serves some of the most at-risk groups in our communities by providing services and support to facilitate life-changing personal healing. The four major areas of their community outreach are providing for Foster Kids and their families, Survivor Support for victims of sex trafficking, Food & Basics for the Needy, and a Christmastime program that provides presents for children in foster care! Thank you Meridith and David Coquet for trusting Tesha and the team with finding your new home, and providing this opportunity to bless others in our community with Live Love NW again!

Clark County Food Bank

The Clark County Food Bank responds to our community's hunger needs by distributing around 8 million pounds of food, and 6.7 million meals, a year. 2020 has been a particularly busy year for the Clark County Food Bank, and we are so thankful to Matt Greenberg and Barbara Dunn for the chance to donate to this cause on their behalf!

Gorge Refuge Stewards

Many thanks to Tesha's buyers, Matthew and Anali Mcpherson, for selecting Gorge Refuge Stewards! Since 2006, the folks at Gorge Refuge Stewards have been working to connect locals with the great natural resources that are our gorge refuges. They accomplish this goal by advocating for the best interest of the refuges, providing public education, creating partnerships, and actively working on habitat restoration.

Children's Center

Children's Center provides a child-focused approach to ending abuse and neglect for children across Clackamas County. They offer a variety of services from detecting suspected abuse, to healing and helping the child grow to live a fulfilling healthy life. Thank you, Steven Stevens, for trusting Vicki and the Giving Group team to represent you in your real estate purchase, and providing us with this opportunity to help make a difference for the Children's Center!

Cross Creek Alpaca Rescue

Cross Creek Alpaca Rescue in Tenino, WA provides a safe place for alpacas and other animals. They also work to educate about the needs of alpaca, and how we can respect these beautiful animals, by forming relationships with local 4H groups and colleges and providing community education. We'd like to extend our thanks to Margaret Custidio for trusting Tesha with her home sale, and for selecting Cross Creek Alpaca Rescue to benefit from our donation program!

SafeChoice, YWCA

On behalf of Vicki's buyer, we donated to SafeChoice of the YWCA. Since the 1970's SafeChoice has been a local leader in the domestic violence prevention scene. SafeChoice operates the only domestic violence shelter in Clark County and takes steps to provide inclusive, accessible resources and support options for survivors to honor everyone's cultures, backgrounds, stories, and ways of life.

Starting Grounds Church

Starting Grounds Church meets the spiritual and physical needs of those in the Battle Ground community by providing not just church services, but assistance for those in need with anything from meals to financial crisis relief, and supports ministries around the world. We were able to make this donation thanks to Tesha's recent sellers, Todd and Nancy Brockman!

SEPT-OCT GIVING UPDATE

Alzheimer's Associations Washington State Chapter

In honor of Sheryl Schwartz, who bought and sold recently with Jefferson and Kate, we donated to the Alzheimer's Association Washington State Chapter! The Alzheimer's Association helps those dealing with Alzheimer's and Dementia with a range of resources like tools for identifying Alzheimer's early, consultations for individualized guidance and care plans, conferences, educational sessions, as well as community forums and support groups, and so much more!

Reavis Belin Memorial Fund at Columbia Adventist Academy

On behalf of Marilyn Seigal, a long time member of the Giving Group family and Tesha's recent seller, we made a donation to the Reavis Belin Memorial Fund at Columbia Adventist Academy. Marilyn's brother-in-law, Reavis Belin, was a teacher at Columbia Adventist Academy in Meadow Glade for many years. After he passed away, the Academy set up this fund in his memory, and with her home sale Marilyn wanted to make a difference in his honor! Thank you, Marilyn, for your continued trust in our team!

Clark County Adventist Community Services

Through Clark County Adventist Community Services, also known as "The Center", members of the Clark County community can get help accessing resources such as food and clothing. The Center provides gently used clothing and shoes for men, women, and children as well as additional "home items" such as diapers and blankets when available. They also regularly provide boxes of food to those in need, and can help connect people with other food resources in the area. Thanks again to Marilyn Siegal, for this great opportunity!

From all of us here at Giving Group Realty, thank you so much to the amazing clients who partnered with us to make an impact on our community through this summer! We'd like to thank all of you as well for your continued support and love!
