

Hi Giving Group family! Throughout January and February we partnered with our clients to donate to 3 great local nonprofits. We all feel so blessed to see our dream coming to life; our current commission-based donations total is now **\$14,498.40!** Thank you all for your encouragement and support of our Give Back program. Here are the causes we were able to share our blessings with over the last two months:

Watershed Alliance of SW Washington

The Watershed Alliance of SW Washington received \$833.00 after our wonderful client Ralph Golik found his new home! We were able to make a second donation of \$1,088.86 when Mr. Golik trusted us to sell his previous home as well. Thank you, Ralph, for your trust and the opportunity to make a difference to this great program!

Since 2008, the Watershed Alliance of SW Washington (previously the Vancouver Watershed Alliance) has been making strides to promote volunteerism, care for our water resources, and environmental restoration through community education and outreach.

Vancouver United Pentecostal Church

On behalf of Evan Washburn we made a donation of \$697.50 to the Vancouver United Pentecostal Church! This donation will help the church's young adults advance their Bible Quizzing program. Thank you, Evan, for trusting Jefferson and Kate with your transaction, and allowing us to bless the Vancouver United Pentecostal Church with this donation on your behalf!

The Vancouver United Pentecostal Church is committed to making a difference in the hearts of people locally and globally. They offer ministry programs for all ages throughout the week, and regularly support missionaries around the world!

Community Home Health & Hospice

On behalf of Andrew's compassionate buyer, Ron Crevling, we donated \$400 to Community Home Health & Hospice. This donation is made in memory of George Greenwood. Thank you, Ron, for trusting Andrew with your home purchase and providing us with the opportunity to share our blessings with this nonprofit.

Community Home Health & Hospice assists families in Oregon and Washington with their home health care needs. They provide non-medical in-home personal care, skilled nursing care and therapy and hospice, as well as grief support for anyone who has lost a loved one.

From all of us here at Giving Group Realty, thank you so much to the amazing clients who partnered with us to make an impact on our community this winter. We're excited for all the new opportunities this year presents to inspire light in our communities, one home at a time!
