

# APRIL 2020 GIVING UPDATE

## GIVING GROUP REALTY

Hi Giving Group family, it's time for our Giving Update for the months of March and April!

On behalf of our clients we have made donations to 9 local nonprofits. We all feel so grateful continue sharing our blessings through this uncertain time; our current commission-based donations total has now reached **\$20,000!** It has been truly amazing to see the hearts of our community rise up since we started this mission.

Here are the causes we were able to share our blessings with over the last two months:

### **Watershed Alliance of SW Washington**

The Watershed Alliance of SW Washington received \$868.50 on behalf of Jefferson's buyers Aaron and Katie. Since 2008, the Watershed Alliance of SW Washington (previously the Vancouver Watershed Alliance) has been making strides to promote volunteerism, care for our water resources, and environmental restoration through community education. Thank you, Aaron and Katie, for the opportunity to make a difference to this cause!

### **Clark County Veterans Assistance Center**

We donated \$108.10 to the Clark County Veterans Assistance Center on behalf of some truly kind buyers. The mission of CCVAC is to provide a welcoming and safe environment to assist Veterans and their families with negotiating the often-confusing process of finding and obtaining benefits and other resources available to them. We greatly value the opportunity to bless this center again!

### **Open House Ministries**

On behalf of Tesha's buyers Laura and Darren we donated \$720.00 to Open House Ministries. Thank you, Laura and Darren, for the opportunity to bless this center again! Open House Ministries provides a safe place for people recovering from addictions or homelessness in the Vancouver area to start their life over and learn new skills.

### **Council for the Homeless**

In honor of Jefferson's buyers James and Deborah we made a donation of \$920 to the Council for the Homeless. Since 1989 the Council for the Homeless has been assisting in solving the homeless crisis experienced by Clark County through developing solutions for closing the homelessness gap. Thank you, James and Deborah, for the privilege to help more Clark County residents find their home!

### **The Epik Project**

The Epik Project focuses on bringing an end to human trafficking across the country. After the purchase of their new home, Tesha's clients selected this wonderful nonprofit to receive the commission-based donation of \$765. Thank you, Josh and Karly, for this great opportunity!

### **Office Moms & Dads**

Josh and Karly opted to split up the donation to bless two organizations! Office Moms & Dads is an amazing group of caring community members who want to make a difference in the lives of children and their social workers by providing childcare during the welfare office visits, a stressful time for everyone involved. Thank you, Josh and Karly, for allowing us to bless this group with \$765.

## GIVING GROUP REALTY

### OurGanda

OurGanda is a nondenominational organization serving both the medical and spiritual needs of people residing in the Bundibugyo District of Uganda. Tesha's seller Christie Gillas selected this great nonprofit because her son runs it and her granddaughter operates the children's ministry side of the program. We are so grateful to them for the opportunity to share a blessing of \$800 to OurGanda!

### Starting Grounds Church

On behalf of Tesha's buyers and the purchase of their new land, we donated \$720.00 to Starting Grounds Church. We are so pleased to have this opportunity to share our blessings during this uncertain time so Starting Grounds Church can continue to be a shining light for the Battle Ground community.

### Clark County Food Bank

In honor of Jefferson's clients Jacob and Ciara finding their new home, we are donating \$600 to the Clark County Food Bank. The Clark County Food Bank responds to our local need by distributing around 8 million pounds of food, and 6.7 million meals a year, through their 130 distribution sites across the region. Thank you, Jacob and Ciara, for this opportunity!

From all of us here at Giving Group Realty thank you so much to the amazing clients who partnered with us to make an impact on our community this season, and to all of you for your support and encouragement. We look forward to seeing what blessings we can share with our community moving forward!

We hope you are thriving and taking care of yourselves during these changing times. Please let us know if there is anything we can do to help you or your neighbors. We're just a call, text, or email away!
